

NATADORA

STATION DINING TABLE

by natadora design studio

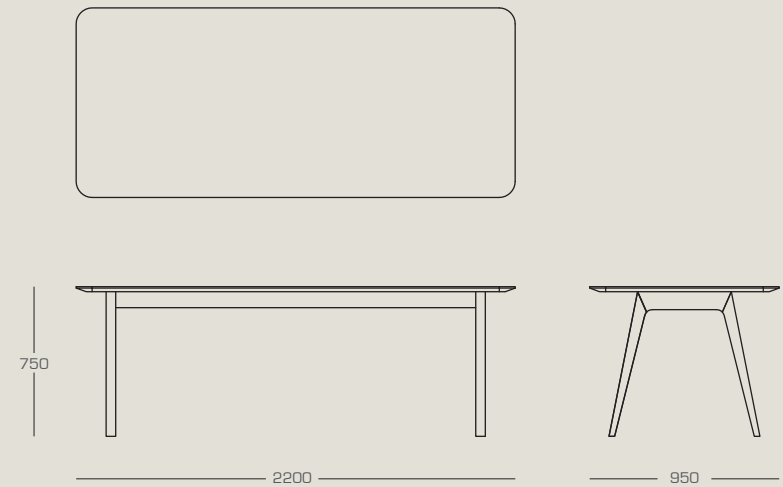

The Station design makes creative use of subtle angles, bevels and curves to deliver a dining table which is simple and accessible, yet still strong in character. Light and elegant, it can pair well with any dining chairs.

AVAILABLE IN THE FOLLOWING CONFIGURATIONS

station table
2200L x 950D x 750H

made from solid american oak, finished in light oak or black
